Re: Decision Document and Revised Permit for Mill Fork Lease Extension, PacifiCorp, Deer Creek Mine, C/015/018-PM01I, Outgoing File

Dear Mr. Semborski:

The Division has processed the Mill Fork Lease Extension to the Deer Creek Mine, including all materials submitted as of this date, and has determined the application to be complete and accurate for issuance of a revised permit. This permit will allow PacifiCorp to conduct both development and longwall mining according to the Mining and Reclamation Plan that has been approved as part of this decision. The Decision Document and Permit are enclosed.

Please note the special conditions to the permit in Attachment A, and have both copies of the permit signed by an authorized representative and return one to the Division.

Thank you for your cooperation and close coordination during the permitting process. If you have any questions, please call me or Mary Ann Wright.

Sincerely,

Lowell P. Braxton
Director
